

Lincoln

AMPHITHEATRE

Thanks to the financial support of our donors, the Lincoln Amphitheatre had another fantastic season in 2019—with an overall attendance number that surpassed the prior year's total for the fourth consecutive year! **And**, in 2019, we sold out ALL of our concerts! It was truly a great year!

As you might have guessed, we are in the process of planning what is certain to be another exciting season for us (and you!) in 2020. **This is the first (and, likely, only) opportunity to reserve season passes for 2020, as, last year, we sold out of our allotted season ticket capacity within two months)—so, if interested in that specific donor level, we would suggest you act fast!**

As we plan the season, we are also implementing a series of major infrastructure changes to the Lincoln Amphitheatre (sound upgrades, new house lighting, ceiling fans, etc.) that will have a genuine impact for all in attendance. Your early season ticket renewals/purchases and donations are crucial to keeping those projects moving forward, as well as assisting us with offseason operating capabilities, specifically, as it relates to facility maintenance, refurbishments, and programming

Our 2020 season will, likely, have similar dates and a similar amount of events/performances as in 2019: nine concerts, a Lincoln-based play, and an October movie night.

2020 Donor Levels

If you prefer, donations can be made online at LincolnAmphitheatre.com

President

\$5,000+
Four 2020 Season tickets

Founder
